About the company:

Intergroup Financial Services Corp., IFS, established in Panama, was founded in 2006 as part of the Interbank Group’s corporate restructuring process. The corporate reorganization has served to simplify the group’s structure by joining the companies that operate in the financial services industry in Peru, Interbank and Interseguro, under IFS. Interbank is a full service bank providing general banking products and services to retail and commercial customers. Interseguro is a leading insurance company, providing annuities, individual life insurance, disability insurance and survivor benefits and mandatory traffic accident insurance.
